

World Robot Summit 2025 Harsh Environment F-REI Challenge Closing & Competition Results Flash Report!

The World Robot Summit 2025 Harsh Environment F-REI Challenge Competition has concluded! We are delighted to share a quick report on the results following a series of thrilling and high-level performances by participating teams.

Harsh Environment Drone Challenge (HEDC)

【1st Place METI Minister's Award】
ICAST

【2nd Place Fukushima Prefectural Governor's Award】
ITRI A-Team

【3rd Place WRS Executive Committee Chairperson's Award】
MARS ZERO+UoA

Plant Disaster Challenge

【1st Place METI Minister's Award】
NuTech-R

【2nd Place Fukushima Prefectural Governor's Award】
Quix

【3rd Place WRS Executive Committee Chairperson's Award】
MISORA+UoA

Simulation Disaster Challenge

【1st Place METI Minister's Award】
NITRo-UI

【2nd Place Fukushima Prefectural Governor's Award】
REL-UoA

【3rd Place WRS Executive Committee Chairperson's Award】
SAZANKA

Standard Disaster Robotics Drone Challenge (STM)

【1st Place METI Minister's Award】
Team Sogakkan

【2nd Place Fukushima Prefectural Governor's Award】
NITRoDrone

【3rd Place WRS Executive Committee Chairperson's Award】
Raptors PL
